# INTRODUCTION

Most people know how difficult moving homes can be, especially if you are from out of town. Fairfield Waters have put together this directory to help make your move a little easier. In the following pages you will find information on such things as local council watering days, garbage day and how to get milk and papers delivered. Included are local sporting bodies, schools, childcare centres, churches and medical facilities - to name a few.

If you find that something you require that is not listed here, please call us at the Fairfield Waters Sales and Customer Service Centre and we will assist you find the best information.

## UDIA AWARD FOR MASTER PLANNING

The master planning of the Fairfield Waters development in Townsville has been recognised in the Urban Development Institute of Australia's North Queensland Excellence Awards.

The award acknowledges the intensive three-year planning period by developers Fairfield Land Pty Ltd preceding the launch of this residential estate in 1999. The master plan for Fairfield Waters incorporates both residential and commercial components integrated with leisure and recreational facilities.

The urban development award is testimony to the innovative planning solutions used to facilitate the ongoing development of this project over its projected ten year time frame. The strong cooperation between government agencies and the various proponents of the project was an excellent example of an effective partnership throughout the pre-planning, development approval and implementation phases of the development.

## COMMERCIAL PRECINCTS

### Uniting Church

The Uniting Church is establishing a new church on a 4058sqm site on the corner of Village Drive and Kokoda Street in the Fairfield Waters estate. The church will service the needs of the growing population in the southern suburbs of Townsville. It is planned construction will commence in the near future.

### Retirement Village

The Baptist Church is planning a fully integrated retirement village incorporating independent living villas, assisted care units and nursing facilities on a 6.3 hectare site in Village Drive, Fairfield Waters. Construction is planned in the near future.

### Childcare Centres

Andy Pandy Child Care opened a child care centre in July 2001 on the corner of Village Drive and Fairfield Waters Drive. Phone 4778 4050 for further information.

Fairfield Waters Child Care Centre commenced operation in October 2003. This centre is located directly across from the Oonoonba State School on Lakeland Boulevard off Fairfield Waters Drive.

## EDUCATION

There are a number of schools close to Fairfield Waters. The Queensland Education Department has constructed a new primary school in Fairfield Waters to accommodate the increased population in the estate over the next decade. The site selected by the Department is located on the corner of Fairfield Waters Drive and Oonoonba Road. The new primary school opened in January of 2002. The closest secondary school, William Ross State High School, is one kilometre along Mervyn Crossman Drive.
